

Construction Notice – Northbound Lane Closure on 111 Street

Beginning **on/around June 23**, Ledcor, the Design-Build contractor for the project, will close one northbound traffic lane on 111 Street near 9 Avenue. This traffic pattern is expected to last until mid-July and is required to accommodate roadway changes before the eventual construction of the LRT tracks. Please refer to the map below for details about the **upcoming lane closure**.

What to Expect

Traffic Impacts

- Traffic will be reduced to one northbound lane on 111 Street approaching 9 Avenue up to 12 Avenue.
- A dedicated left turn lane on northbound 111 Street at 9 Avenue will be open.
- Two through lanes will be maintained on southbound 111 Street within the

construction area.

- Traffic on 9 Avenue will be shifted to the north section of the roadway on both sides of 111 Street. One lane will be open in each direction.
- Parking will continue to be prohibited on 9 Avenue in the construction area.
- For safety, the speed limit in the work zone on 111 Street will remain at 40 km/h in each direction.

Pedestrian Detour

- The sidewalk on the north side of 9 Avenue, east of 111 Street, will be closed. Pedestrians will be able to cross 9 Avenue on the west side of 111 Street or at Running Creek Lane.

Other Impacts

- Work will occur on weekdays and occasionally on weekends between 7:00 a.m. and 5:00 p.m.
- Efforts will be made to minimize noise, vibration and dust. Mitigation measures will be implemented to monitor and reduce these impacts.
