

Construction Notice – Foundation piling for the Operations and Maintenance Facility (OMF)

Beginning on/around **May 5**, Ledcor, the Design-Build contractor for the project, will start piling work north of the Heritage Valley Park & Ride near 127 Street and Anthony Henday Drive. These piles will support the foundation of the future Llew Lawrence Operations and Maintenance Facility (OMF). This work is anticipated to take approximately two months. Please refer to the map below for details.

Other Impacts

- Work will occur on weekdays and some weekends between 7:00 a.m. and 5:30 p.m.
- Heavy truck traffic will increase on Ellerslie Road and 127 Street SW.

- No traffic disruptions are expected during the work.
- Efforts will be made to minimize noise, vibration and dust. Mitigation measures will be implemented to monitor and reduce these impacts.
