

Construction Notice – Southbound Lane Closure on 111 Street near 23 Avenue

Beginning **on/around November 20**, Ledcor will close a section of one **southbound traffic lane on 111 Street near 23 Avenue**. This closure will occur intermittently once or twice a week on **weekdays between 5:00 a.m. and 3:00 p.m.** This intermittent closure is expected to last until fall 2026 to accommodate ongoing concrete pours for the 23 Avenue LRT underpass. Please refer to the map below for details about the upcoming lane closure.

Map 1: 111 Street South of 23 Avenue

What to Expect

Traffic Impacts

- Traffic will be reduced intermittently to one lane southbound on 111 Street between 23 Avenue and Saddleback Road/19 Avenue.
- Two northbound lanes will be maintained on 111 Street in the construction area.
- If the lane closure is required to go past 3:00 p.m, it will be communicated in advance, and Ledcor will communicate and coordinate exact closure dates with the City.
- For safety, the speed limit in the work zone on 111 Street will remain at 40 km/h in each direction.
