

## Construction Notice – Esso Access Closure (111 Street Access Closing)

Beginning **on/around October 25**, Ledcor will **permanently close the 111 Street access to the Esso**, located at the corner of 9 Avenue. This closure is necessary to begin preliminary work on the future Twin Brooks LRT Station and tracks, which will run along the west side of 111 Street. The 9 Avenue access (south access) to the Esso will remain open during and after construction.

Please refer to the map below for details about the **upcoming access closure**, along with current renderings of the Twin Brooks LRT Station.
