TO: City of Edmonton Safety Codes Permits and Inspections | Development Services

I, [PRINT NAME], **the owner*/operator of a proposed food establishment facility, confirm by my signature below that**

- I am aware** facilities involved in commercial, industrial, institutional and similar cooking applications are subject to regulatory requirements and responsibilities for design, construction, operation and maintenance set out in other relevant enactments including but not limited to
 - [Public Health Act](#) and [Food Regulation](#) (Alberta)
 - [Occupational Health and Safety Act, Regulation and Code](#) (Alberta)
 - [Gaming, Liquor and Cannabis Act](#) and [Regulation](#) (Alberta)
 - [National Fire Code-Alberta Edition](#) and [Safety Codes Act](#) (Alberta)
 - [National Building Code-Alberta Edition](#) (NBC(AE));

- I have reviewed** applicable requirements of relevant legislation personally and in consultation with the registered property owner, any registered professionals of record and coordinating registered professional, designers, constructor and building permit applicant, as applicable;

- I acknowledge** that City of Edmonton Safety Codes Permits and Inspections | Development Services and its Safety Codes Officers
 - **are not** providing an assessment or review of conformance criteria set out in other relevant enactments when reviewing the proposed project design and building systems for compliance with NBC(AE) as the duty to provide a compliant design, including mechanical and electrical systems, for the cooking operations appropriate for the intended use--i.e., occupant load and space function--of the building or part thereof lies with the project designers,
 - **are not** exercising a project design or managerial role through permit issuance, site checks, audits and inspections, and
 - **are not** responsible for and assume no type of responsibility for the work proposed or done which is required to be in accordance with the Safety Codes Act and its regulations including NBC(AE), Bylaw 15894 and other relevant bylaws;

- I understand** that any occupancy permit or permission to use a building or portion thereof issued by the City of Edmonton does not constitute a licence to operate or engage in any business, and that approval, certification, designation or accreditation requirements of any and all other relevant regulatory authorities must be satisfied prior to operating the facility, and that building alterations, or material change of use, cooking methods or menu may require permits for adjustments to the building and building system arising from the change.
