September 2022 Biennial Employee Experience Survey

This report summarizes what we heard from Corporate Procurement and Supply Services employees for the September 2022 Biennial Employee Experience Survey.

112 employees (77%) participated and there were **70** comments.

This biennial survey provided employees with an opportunity to share about their identity, experiences of inclusion, respectful workplace, concerning behaviour and discrimination at work, and their overall experience working at the City of Edmonton.

Survey results are always available online at edmonton.ca.
Glint's scoring guide can be found [here](#).

Employee Experience

eSat

The City works hard to create a respectful workplace	77	+3	71

Consent to Disclose Identity Information

The following 5 slides contain topics about sensitive information (identity and experiences of concerning behaviours and discrimination).

Respondents were given the opportunity to opt out of these voluntary questions if they **did not** consent to the City of Edmonton and Glint processing their responses.

9% of Corporate Procurement and Supply Services employees who participated in the survey **did not consent** to collection of this sensitive data.

The following 5 slides are a summary of what we heard from respondents who consented to disclose this information.

Respectful Workplace: Discrimination Results
