

How-to Guide: Notice of Intent to Run for Prospective Candidates

Municipal and school board elections in Alberta are governed by the [Local Authorities Election Act](#) (LAEA).

Section 147.22 of the LAEA requires an individual who intends to be nominated or has been nominated to run for election in a local jurisdiction as a candidate to give written notice to the local jurisdiction before accepting a campaign contribution or incurring a campaign expense. A notice of intent may be submitted either by mail or email.

It is essential that prospective candidates understand the full extent of their legislated obligations. The information below is provided as a guide. Edmonton Elections encourages prospective candidates to seek independent legal advice.

This checklist is designed to guide prospective candidates for Edmonton City Council, Edmonton Public School Board and Edmonton Catholic Separate School Division in preparing their written notice to Edmonton Elections.

Before completing notice of intent
