

Infill Infrastructure Fund Application Form

Please complete this **Infill Infrastructure Fund (IIF) application form** and email the completed form and the required attachments to infillinfrastructurefund@edmonton.ca to request a virtual meeting with the IIF team to review your project's eligibility for funding.

The following documents will be required and must be submitted to the IIF Coordinator alongside the completed application form:

1. Major Development Permit Pre-Application meeting record and/or a copy of your approved development permit;
2. Response from both EPCOR Water Services and EPCOR CES with preliminary information for EPCOR infrastructure improvements.
3. An aerial overview of the proposed project parcel;
4. [Off-site Infrastructure Cost estimate form](#) (high level cost estimates);
5. Conceptual Drawings, if available, that show potential service connections, utilities, infrastructure features, and any other information to assist with the review.

If your development project is at a pre-planning phase and you are not able to provide any of these items, please provide as much information about your project as possible where indicated throughout the form. The Infill Infrastructure Coordinator will utilize this information to make a decision on application eligibility and potential funding amount.
