The Quarters Downtown

Property Information:

Incredible development opportunity now available in the Quarters, one of Edmonton's up-and-coming neighborhoods. The Quarters Downtown is nestled next to North America's largest stretch of urban parkland. This community-focused district provides its residents with arts and recreation centres, restaurants, schools, parks, farmers markets, grocery stores and other amenities. Bordering Edmonton's downtown, the Quarters district brings everything a little closer to home.

The City is selling one large 1.11 acre site or three separate 0.37 acre sites. This provides a great opportunity for a medium density residential development fronting directly onto Kinistinaw Park. The sites are subject to the **(DC1) Direct Development Control Provision (MQ) McCauley Quarter Areas 1 & 3** currently in place and to **City Council policy C582 Developer Sponsored Affordable Housing**.

Edmonton's River Valley (Louise McKinney Park) and the future Quarters stop of the **Valley Line LRT** are within walking distance. These properties are adjacent to the **Downtown Bike Network**, the **Armature** (Edmonton's first green street), **Kinistinaw Park Phase 1** and the future Phase 2 along with a number of other **amenities**.

Property 2 includes the **Joseph Reed Residence** which has a **historic designation** that must be maintained. The City is committed to preserving historical resources that represent our past and enhance our urban environment. The City is open to creative solutions from buyers which will preserve and designate the Joseph Reed Residence as a legally-protected Municipal Historic Resources.

The City of Edmonton is seeking Purchase and Development proposals that will contribute to the vision of the Quarters Downtown. All costs associated with the development of these lands including but not limited to roadway modifications, upgrading, modification/relocation of existing services, required by any new development will be borne by the Buyer.
