How Can I Attend a Statutory Public Hearing?

All Edmontonians are welcome to attend public hearings and speak directly with City Council on a specific bylaw.

To start, **check when a bylaw is being discussed:**

- + Agendas for public hearings are posted on the City of Edmonton's website at least 17 days before the actual meeting date.
- + Visit edmonton.ca/meetings and scroll down to the Agendas and Minutes section.
- + Select the City Council Public Hearing event tab to view the agenda for an upcoming public hearing.
- + Review the agenda to confirm your item is scheduled for the next public hearing and write down the item's agenda number.

Then, **register to speak at a public hearing.**

There are a number of ways to register:

- + **Online:** Visit edmonton.ca/meetings and scroll to the Register to Speak tile. Select, then fill out the associated form.
- + **In-Person:** Head to the Office of the City Clerk on the 3rd floor of City Hall before the public hearing. You may also register on the day of the meeting at the entrance to Council Chambers (2nd Floor) fifteen minutes prior to the start of the public hearing.
- + **By Email:** Email the City Clerk at city.clerk@edmonton.ca.

With each method, you'll need to provide your name, organization (if applicable), address, phone number, e-mail, the item's agenda number and whether you are in support or non-support of the bylaw.

What Can I Expect at a Statutory Public Hearing?

- At the start of a public hearing, the City Clerk will call the bylaws scheduled for that day.
- The Mayor will call the names of those registered to speak to each bylaw. Those in attendance will identify themselves when called.
- Councillors will select bylaws for debate.
- For those bylaws selected, Administration will give an overview of the proposed bylaw and their recommendation.
- The public then has the opportunity to speak starting with those in support, followed by those in non-support to the bylaw.
- Each speaker has up to five minutes to make a presentation to City Council, and the speakers will be heard in order, in panels.
- When you are finished, please remain in place as councillors may wish to ask you or anyone else who spoke in your panel questions.
- After all speakers on the bylaw have been heard, councillors may ask Administration questions.
- The Mayor will then invite councillors to ask questions of clarification, if any, to speaker in response to information provided during the public hearing.

Once all questions have been asked and answered, councillors will vote in favour of or against the proposed bylaw. They may also make a motion directing Administration to make adjustments to or do additional work on the bylaw and potentially return to a future public hearing.

Attending in Person

WHERE DO I SIT?

Attending a public hearing in person can seem intimidating or daunting. Here's a quick scan of the meeting room, where people sit and what their roles are.

1. This is where the Mayor and councillors sit. The Mayor chairs the public hearing, and ensures that the Agenda is upheld and that speakers have a chance to present.
2. City Clerk provides procedural support throughout the meeting.
3. Administration presents on bylaws and answers City Council's questions.
4. This is where speakers come to speak in support or non-support of a bylaw and answer questions.
5. Edmontonians can attend any public hearing and listen as part of the audience.

Attending Virtually

WHAT DO I NEED TO KNOW?

- + You can attend a Public Hearing online using a computer, laptop, tablet or smartphone through Google Meets (you will need to download the Google Meet app).
- + You will want to ensure your device has a speaker to hear the session and a microphone to participate, you may also want to use a camera to present.
- + After registering to speak, City Clerks will email you a Google Meet invitation for the hearing date and time along with detailed instructions on how to participate.
- + Once in the meeting, click "Join Now" to enter the meeting. Please turn off your microphone when you are not presenting
