Okîsikow Way Day

SATURDAY, JUNE 14, 2025

Sir Winston Churchill Square

1 to 3 p.m.

Every June 14 we invite all to gather and join us in striving to create safer spaces for those affected by gender-based violence. In 2024, 101A Avenue, between 96 Street and 97 Street (Okîsikow Way), became an official street name and civic address. Okîsikow (Angel) Way honours all women and gender diverse people, their family members, and all who continue to be affected by violence. The Okîsikow (Angel) Way project honours Gloria Neapaetung's invaluable vision and gift of the Angel artwork that adorns the sign-blades.

All are welcome!
