Public Information Drop-in Event
6:30 – 8:00 p.m.

Royal Gardens
Community League
4030 117 Street

Alley renewal includes:

- + Reconstructing your alley with a new base and hard surface
- + Improving surface drainage, where possible
- + Pruning trees/shrubs as necessary ahead of construction
- + Replacing material between the alley and property line with the same material that was removed during construction

In addition, the design also includes

- + Minor widening to improve turning movements (where space allows)
- + Protective wooden posts to clearly identify alley driving spaces

BEFORE

AFTER

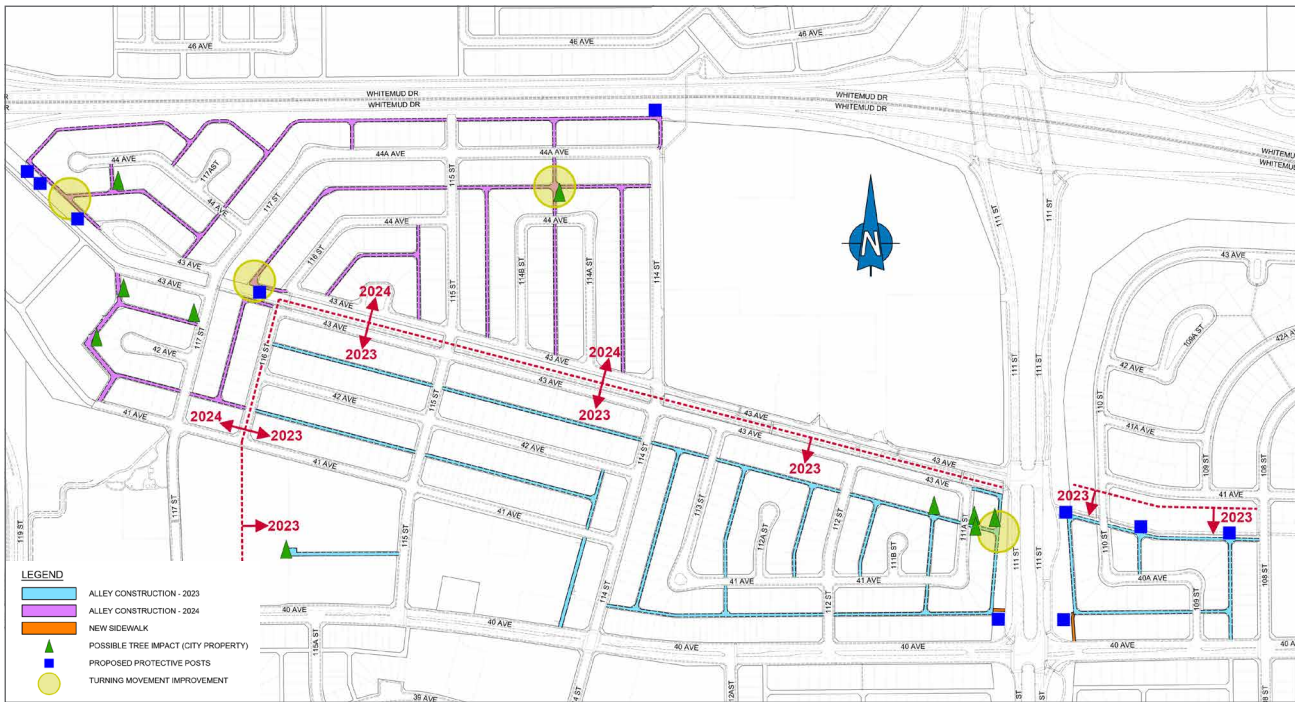

Construction

Alley renewal construction will take place from May to October in 2023 and 2024.

Once construction starts in your alley, it will not be accessible for about four weeks. During this time, parking and waste collection will move to the front street.

In 2018, the City of Edmonton approved an Alley Renewal program to address the poor condition of its nearly 1,200 kilometers of alleys. This long-term plan will improve alleys city-wide over the next 25 years.

Alley Renewal is funded by a city-wide Neighbourhood Renewal Tax Levy, which means no additional cost for homeowners.

Thank you
