

Avonmore Vision Zero Street Lab Plan

In 2021, a Vision Zero Street Lab was initiated that brought adaptable traffic safety measures to the Parkallen neighbourhood. The Street Lab plan was installed in June 2023 and is outlined in the table and image below:

Installation and Location	Benefit
<p>What We Heard There were concerns of vehicles speeding, shortcutting, and pedestrian safety/visibility along 73 Avenue.</p> <p>What We Installed: 2 curb extensions will be installed at each of the following intersections (total of 6):</p> <ul style="list-style-type: none"> • 73 Avenue and 77 Street • 73 Avenue and 79 Street • 73 Avenue and 81 Street 	<p>Curb extensions narrow the street in order to:</p> <ul style="list-style-type: none"> ✓ Improve safety and visibility of the pedestrians crossing the roadway ✓ Slow vehicles and calm traffic by visually narrowing the street ✓ Prohibit people from parking close to the crosswalk, creating clearer sightlines for all road users
