

# Vision Confirmation and Community Options Event – Engagement Summary

Lorelei and Beaumaris Neighbourhood Renewal

---

## What We Did

We held a Vision Confirmation and Community Options Public Event on February 28, 2019 at Lorelei Elementary School from 5:00 to 8:00 pm.

At the event, we presented and gathered feedback on the draft vision statement and guiding principles for the future of the Lorelei and Beaumaris neighbourhoods. We also gathered feedback on opportunities for improvements for neighbourhood renewal involving:

- **Parks and open spaces** including the utility corridor, connections to Beaumaris Lake, Beaumaris Park and Lorelei Park
  - **Connectivity and corridors** including shared-use paths, pathways and amenities
  - **Placemaking** including neighbourhood signage
  - **Moving around your neighbourhood** including intersections and roads
- 

**More than 35 people shared their ideas!**  
**More than 140 ideas were shared!**

---

An expanded what we heard and what we did report with more information on public engagement activities and feedback will be available online in spring.
