

Community Feedback on Final Design Engagement Summary

Calder Neighbourhood Renewal

ADVISE

Surveys

- + An online survey to invite input on the changes to traffic flow near St. Edmund's Elementary and Junior High School and Calder School was available from October 1 to 27, 2020 on the project webpage.
- + Participants were asked to indicate their level of comfort with the traffic flow changes and if the changes would promote safety for people who walk and people who drive in the area.
- + An online survey to invite feedback on all neighbourhood renewal final designs was available from November 9 to November 30, 2020 on the project webpage.
- + Participants were asked to confirm that Calder's Final Design aligned with the Vision and Guiding Principles.

77 Participants

Online Engagement

- + Calder's Final Design display boards were posted on the project webpage in November, as well as an animated video outlining the designs.
- + Residents were able to use the Q and A tool on the website to ask questions about the Final Design.

279 unique visits to the project webpage

138 video views

A report on what we did and what we heard will be available February 2021.
