

Visioning and Local Knowledge Engagement Summary

Garneau Neighbourhood Renewal November 2018 – April 2019

- + An online survey was available for the public to complete during November and December 2018.
- + Information collected from the survey was used to draft a project vision and guiding principles.

118 surveys were completed

- + A Community Walk and Ideas workshop was April 6, 2019.
- + Attendees participated in one of three guided neighbourhood walks around Garneau to identify opportunities for improvement and provide local knowledge.
- + During the afternoon, attendees participated in a workshop where they discussed issues, concerns, and solutions related to traffic/parking, open and green spaces, bikes and pedestrian experience, and lighting.

44 participants

- + A meeting was held with residents and staff at Garneau Hall, a Seniors Facility on April 5, 2019 to help us understand the seniors perspective on the neighbourhood.

11 residents and staff attended

An expanded report of what we heard and what we did will be available soon.
