

# What is Neighbourhood Renewal?

- + The Neighbourhood Renewal program is part of the Building Great Neighbourhoods and Open Spaces Branch.
- + The program:
  - + Renews and rebuilds roads, sidewalks and street lights in mature neighbourhoods
- + Neighbourhood Renewal is delivered in coordination with other City departments and projects in the area.
- + Through coordination we can also improve other elements including intersection safety, pedestrian and bike connections, and parks and green spaces

# What's Included

## Infrastructure upgrades:

- + Regrading and paving of local and collector roads\*
- + Replacing sidewalks\*\*
- + Replacing street lights
- + Construct new sidewalks, where missing

## Other potential elements:

- + Implementing connections that help people move (walk, bike, drive, transit)
- + Making improvements to green spaces/parks (trees, furniture, beautification)
- + Mitigating neighbourhood traffic issues
- + Upgrading to decorative street lights\*\*
- + Reviewing signal timing and crossings on arterial roads

\*Necessary utility work is coordinated prior to Renewal construction

\*\*Subject to local improvement outcome

Edmonton

A vibrant, stylized illustration of a neighborhood. It features various houses with colorful roofs (yellow, red, green, blue) and walls. A worker in an orange hard hat and safety vest is visible on the left. The background is a mix of green, blue, and yellow geometric shapes. The overall style is modern and playful.

# What's NOT Included

## Infrastructure upgrades:

- + Arterial roads
- + Alleys
- + Development/redevelopment on non City-owned land
- + Maintenance issues (snow clearing / lawn mowing / waste services)
  - + Concerns will be forwarded to the appropriate city area

Edmonton

# Project Phases

## Definitions and Engagement Opportunities

### Concept

A high-level plan for what could be built

### Design

A new neighbourhood design that includes geometry for roads and sidewalks, as well as specific design elements such as materials

### Build

Construction of the new neighbourhood design

### Operate

Full function of the new neighbourhood design

# How Decisions are Made

## Public Engagement Input:

- + **Refine** Neighbourhood Renewal vision and important elements
- + **Advise** on neighbourhood assets, opportunities and priorities
- + **Refine** infrastructure options
- + **Advise** on preliminary design
- + **Decide** on sidewalk reconstruction local improvement

## City Policies and Programs:

- + City's Strategic Plans – The "Ways"
- + Active Transportation Policy (Sidewalk Strategy; Bicycle Transportation Plan)
- + Local Improvement Policy
- + Public Engagement Policy
- + Breathe – Green Network Strategy
- + Winter City Guidelines
- + Vision Zero
- + Community Traffic Management Policy
- + and more

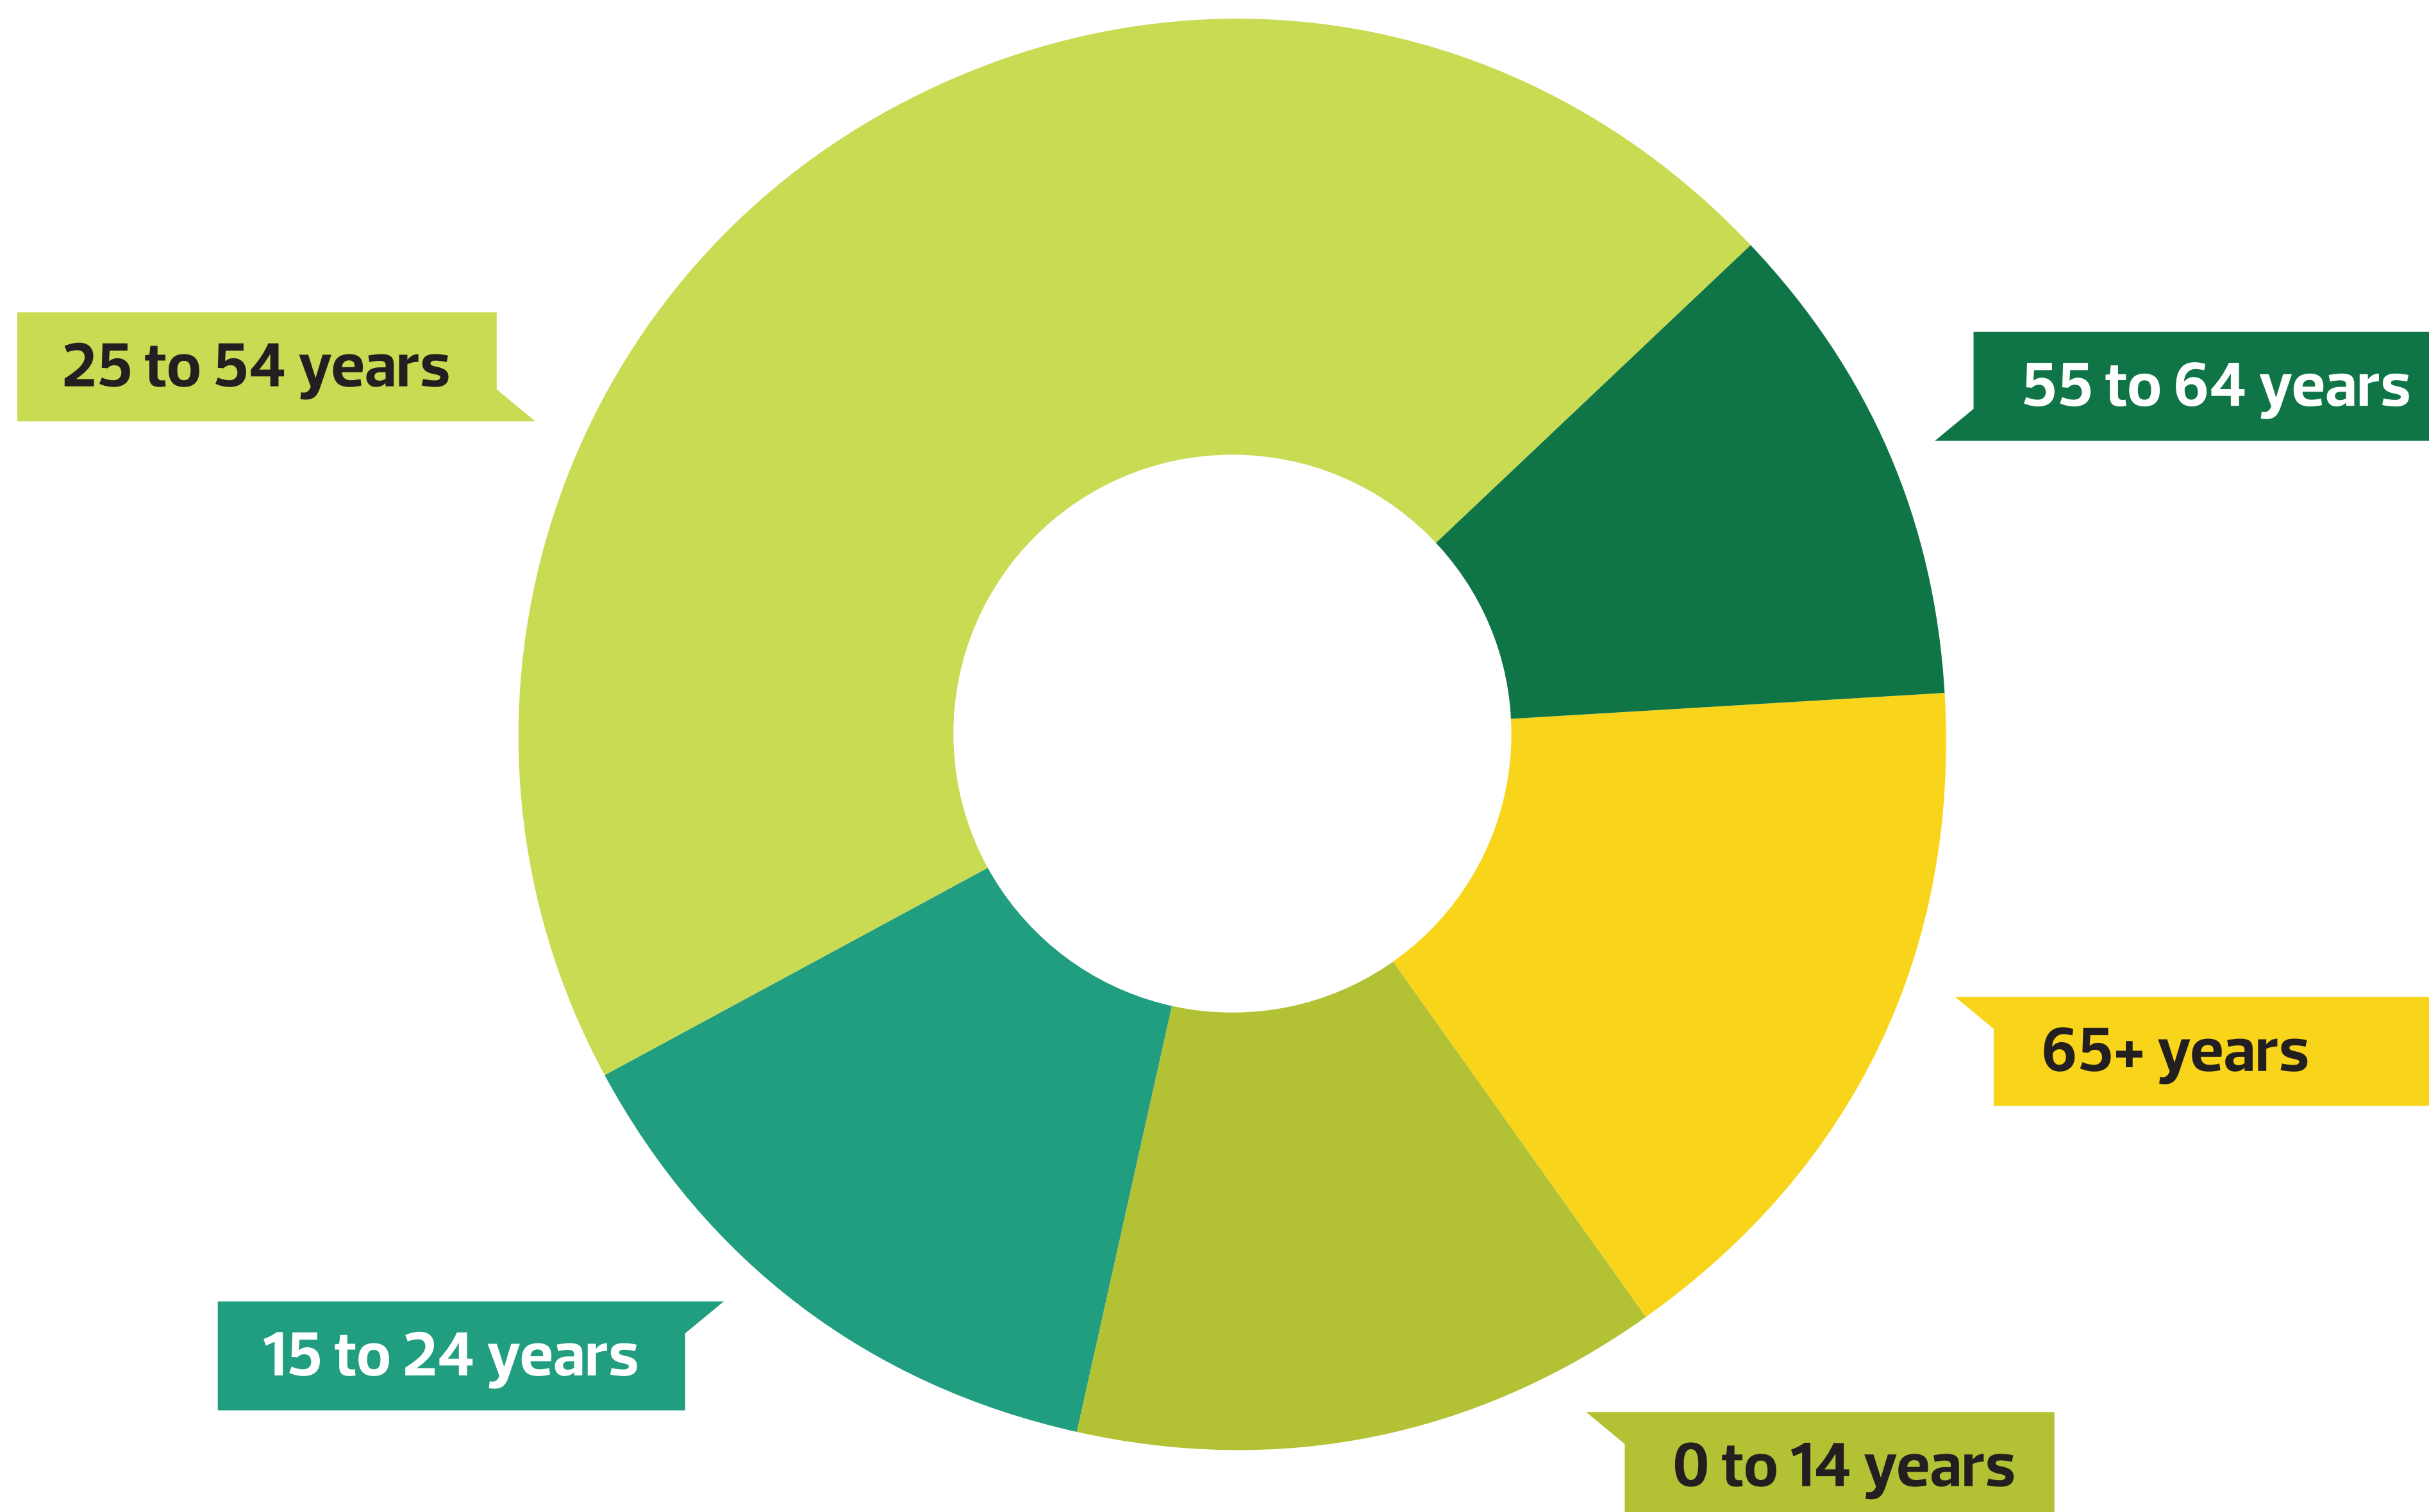

## Technical Requirements:

- + Infrastructure Assessments
- + Complete Streets Design and Construction Standards
- + Universal Design
- + Crime Prevention Through Environmental Design
- + Urban Design Framework
- + and more
