ATTENTION:

ETS PROGRAM ADMINISTRATOR

I would like to say since signing up with your Employee/Employer Discount Bus Pass Program our employees are very happy with this arrangement. With the high cost of living expenses, your program helps tremendously for all of our employees that are taking part in the program.

It was very convenient to have it set up between ETS and our company and it takes little time each month for the ordering of the passes on-line and to distribute the passes when they come in.

Thank you ETS for coming up with this great idea. It's economical, convenient and environmentally friendly to our city's well being.

Yours truly,

PEACE HILLS TRUST COMPANY
