- The hockey 'Laws of the Game' are to be followed – referees are not provided but skate monitors will supervise.
- **Players must stay off the ice, out of the player's box and stand behind the glass, when the Zamboni is on the ice**
- Youth Shinny clock management: Due to younger age categories sometimes being unable to monitor their own ice time and to promote the fairness of time to all participants, a "shift time limit" must be set. If there are 12 or more skaters, a 2 minute shifts rule may be followed. This will be done by either: blowing a whistle when two minutes have elapsed on the time clock or sounding the horn.
- Individuals displaying unacceptable behaviour or who chose not to follow the rules will be asked to leave. This includes the following violations:
 - Dangerous Play – body checking, slashing, tripping etc
 - Fighting
 - Abusive and/or Obscene Language or Behaviour
 - Horseplay
