**I The Subdivision by Plan is APPROVED on January 4, 2018, subject to the following conditions:**

1. that the owner enter into a Servicing Agreement with the City of Edmonton pursuant to Section 655 of the Municipal Government Act;
2. that the owner prepare the necessary plans and documentation to grant new or carry forward existing easements and restrictive covenants in favour of the City of Edmonton, EPCOR Distribution & Transmission Inc., EPCOR Water Services Inc., and EPCOR Drainage Services Inc., as required by the aforementioned agencies or shown on the engineering drawings that are deemed to be part of the Servicing Agreement;
3. that the owner dedicate, clear and level Maskekosihk Trail as required for road right of way, and said dedication shall conform to an approved Concept Plan or to the satisfaction of Subdivision and Development Coordination and Integrated Infrastructure Services, as shown on the "Conditions of Approval" map, Enclosure I;
4. that the owner dedicate 192 Street NW to conform to an approved Complete Street cross-section to the satisfaction of Subdivision and Development Coordination;
5. that the owner register a berm and fence restrictive covenant and easement in favour of the City of Edmonton against the lots backing onto Maskekosihk Trail, as shown on the "Conditions of Approval" map, Enclosure II;
6. that the owner register easements for the storm sewer extension and Storm Water Management Facility 12 (SWMF), as shown on the "Conditions of Approval" map, Enclosure I. The City shall be a party to the easement;
7. that the owner register temporary public access easement for the temporary 12 m turnaround as shown on the "Conditions of Approval" map, Enclosure I;

8. that LDA17-0501 to amend the Edmonton Zoning Bylaw shall be approved prior to the endorsement of the plan of survey; and
9. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

**II That the Servicing Agreement required in Clause I (1) contain, among other things, the following:**

1. that the owner pay all servicing costs, assessments, roadway modification costs (including but not limited to sidewalk, shared use path and/or transit infrastructure), construction costs and inspection costs required by this subdivision;
2. that the owner pay all costs specified in the Servicing Agreement prior to endorsement of the plan of survey;
3. that the owner pay the Drainage Assessments applicable to this subdivision;
4. that the owner pay the Arterial Roadway Assessments applicable to this subdivision;
5. that the owner submits an Erosion and Sediment Control (ESC) Plan specific for this development and for implementation during and after construction in accordance with the City of Edmonton ESC Guidelines and Field Manual;
6. that the owner submits detailed engineering drawings and technical studies in accordance with the City of Edmonton Design and Construction Standards and to the satisfaction of the City Departments and affected utility agencies;
7. that the owner constructs the first two (2) lanes of Maskekosiik Trail to an arterial roadway standard including channelization, accesses, intersections, 3 m shared use path, lighting landscaping and any transitional improvements, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I. Preliminary plans shall be approved for Maskekosiik Trail prior to the approval of the engineering drawings, to the satisfaction of Subdivision and Development Coordination;
8. that the engineering drawings include the future priority pedestrian crossing, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I;
9. that the owner construct 192 Street NW to an approved Complete Streets cross-section including 3 m shared use path, to the satisfaction of Subdivision and Development Coordination;
10. that the owner constructs a 3 m hard surface shared use path including lighting, bollards and landscaping, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I;
11. that the owner constructs a temporary 12 m radius gravel surface turnaround with bollards or mini-barriers to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I. This turnaround will be required prior to

Construction Completion Certificate (CCC) for roads (or when required by Subdivision and Development Coordination);

12. that the owner pay for the installation of traffic signals, as shown on the "Conditions of Approval" map, Enclosure II. The City of Edmonton shall complete the signal design, and the City's Electrical Services Contractor must install the signals as per the agreement between the City of Edmonton and the Electrical Services Contractor. The timing of the traffic signals installation will be at the direction of Transportation Operations. If traffic signals are not deemed warranted by Transportation Operations within 5 years of signing the Servicing Agreement, the owner will be required to provide payment to the City of Edmonton for the installation of traffic signals at that time to fulfill this obligation;
13. that the owner construct the temporary lift station, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure II;
14. that the owner constructs underground utilities including sanitary and storm sewer main extensions, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I and II;
15. that the owner designs and constructs the interim SWMF 12 and an acceptable outlet system, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I;
16. that the owner shall submit redline revisions or resubmit engineering drawings for Uplands Stage 1, Stage 2A, 199 Street NW and River's Edge offsites to reflect the proposed revisions to sanitary lift station location and forcemain alignment, to the satisfaction of Subdivision and Development Coordination;
17. that the CCC for the sanitary sewers will not be issued until such time as the temporary sanitary forcemain and the temporary lift station with storage component are completed and operational, to the satisfaction of Subdivision and Development Coordination;
18. that the owner is responsible for the operation and maintenance of the temporary private sanitary system and disposal of any sewage generated from the proposed development, at their own cost, until such time that the permanent sanitary sewer system is completed and operational to the satisfaction of Subdivision and Development Coordination;
19. that Final Acceptance Certificate (FAC) will not be issued for sanitary sewers until such time that the permanent sanitary servicing for Riverview required for this subdivision, as indicated in the Neighbourhood Design Report, is completed and operational to the satisfaction of Subdivision and Development Coordination;
20. that the owner is responsible, at their cost, for the ultimate connection to the permanent sanitary system and abandonment of the temporary lift station and temporary forcemain, to the satisfaction of Subdivision and Development Coordination;
21. that the owner is responsible for the construction of a temporary storage component for servicing of Riverview on a temporary basis to carry sewage from Riverview to Edgemont until

the permanent ultimate sanitary servicing conveyance for the Riverview neighbourhoods through the SESS SW7 is constructed;

22. that the owner design and construct the temporary sanitary storage component to the satisfaction of Subdivision and Development Coordination, prior to reaching 85% of the peak flow design capacity of the Edgemont lift station as determined by monitoring the cumulative flows from the Edgemont neighbourhood and the Riverview neighbourhoods;
23. that the owner shall, through consultation and collaboration with the City evaluate the design and construction requirements of the ultimate servicing scenario prior to reaching 85% of the peak flow design capacity of the Edgemont lift station in combination with the storage component in Riverview as determined by monitoring the cumulative flows from the Edgemont and Riverview neighbourhoods. The owners shall ensure that at no time shall the actual flows from the Edgemont and Riverview neighbourhoods exceed the capacity of the Edgemont lift station;
24. that the owner is responsible, at their cost, for the operation and maintenance of the temporary storm servicing system, until such time the permanent storm servicing is completed and operational, to the satisfaction of Subdivision and Development Coordination;
25. that the CCC will not be issued for the subdivision storm drainage facilities until such time that an acceptable Temporary Storm Servicing System is established and operational to the satisfaction of Subdivision and Development Coordination;
26. that CCC will not be issued for the storm drainage facilities downstream of the control manholes of SWMF 10 and 12 until such time that the interconnecting storm infrastructure from SWMF 10 and 12 to the River's Edge Outfall and the construction of the River's Edge Outfall are completed and operational to the satisfaction of Subdivision and Development Coordination;
27. that FAC will not be issued for the subdivision or offsite storm drainage facilities until such time that the interconnecting storm infrastructure from SWMF 10 and 12 to the River's Edge Outfall and the construction of the River's Edge Outfall are completed and operational to the satisfaction of Subdivision and Development Coordination;
28. that the owner construct a 1 m berm centered on property line and 1.8 m noise attenuation fence contained wholly within private property, in conformance with the submitted noise study, for all lots backing onto Maskekosihk Trail, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure II;
29. that the owner construct all fences wholly on privately-owned lands, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I and II; and
30. that the owner is responsible for the landscape design and construction within the Public Utility lot and road rights of way, to the satisfaction of City Departments and affected utility agencies.

Enclosure I is a map of the subdivision identifying major conditions of this approval.

Municipal Reserve for the SW 5-52-25-W4M was addressed by Deferred Reserve Caveat (DRC) with LDA14-0567. The DRC will carry forward on the remainder of the title.

Please be advised that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be five (5) days from the date the decision is mailed.

RE: REVISION of conditionally approved tentative plan of subdivision to create 89 single detached residential lots, 38 semi-detached residential lots and one (1) Environmental Reserve lots, from the SE 24-53-26-W4M, located west of 215 Street NW at Hawks Ridge Boulevard; **HAWKS RIDGE**

---

The application has been revised to add 17 residential lots within Phase 2B (from 110 single detached residential lots to 89 single detached residential lots and 38 semi-detached residential lots). Stage 2A has been registered. The original subdivision was approved through LDA12-0312 and the respensing was approved through LDA14-0519. LDA14-0320 realigned Northern Harrier Lane NW and the southeastern portion of the PUL and shared-use path.

**I The Subdivision by Plan is APPROVED on January 4, 2018, subject to the following conditions:**

1. that the owner dedicate Environmental Reserve (ER) as a 0.33 ha lot pursuant to Section 664 of the Municipal Government Act as shown on the "Conditions of Approval" map, Enclosure I;
2. that the owner enter into a Servicing Agreement with the City of Edmonton pursuant to Section 655 of the Municipal Government Act;
3. that the owner prepare the necessary plans and documentation to grant new or carry forward existing easements and restrictive covenants in favour of the City of Edmonton, EPCOR Distribution & Transmission Inc., and EPCOR Water Services Inc., as required by the aforementioned agencies or shown on the engineering drawings that are deemed to be part of the Servicing Agreement;
4. that LDA17-0506 to amend the Edmonton Zoning Bylaw shall be approved prior to the endorsement of the plan of survey;
5. that the owner register the emergency access walkway as road rights-of-way as shown on the "Conditions of Approval" map, Enclosure I; and
6. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

**II That the Servicing Agreement required in Clause I (2) contain, among other things, the following:**

1. that the owner pay all servicing costs, assessments, roadway modification costs (including but not limited to sidewalk, shared use path and/or transit infrastructure), construction costs and inspection costs required by this subdivision;
2. that the owner pay all costs specified in the Servicing Agreement prior to endorsement of the plan of survey;
3. that the owner pay the Drainage Assessments applicable to this subdivision;
4. that the owner pay the Arterial Roadway Assessments applicable to this subdivision;
5. that the owner submits an Erosion and Sediment Control (ESC) Plan specific for this development and for implementation during and after construction in accordance with the City of Edmonton ESC Guidelines and Field Manual;
6. that the owner submits detailed engineering drawings and technical studies in accordance with the City of Edmonton Design and Construction Standards and to the satisfaction of the City Departments and affected utility agencies;
7. that the owner shall submit redline revisions or resubmit engineering drawings, subject to the extent of the proposed revisions, to the satisfaction of Development Servicing Agreements;
8. that the owner enter into a 3 year maintenance period agreement for the proposed Low Impact Development (LID) measures, such as the bioswale system, to the satisfaction of EPCOR Drainage Inc.;
9. that the owner develop and implement a water quality monitoring program for Hawks Ridge. The monitoring program must be developed and approved prior to the approval of the engineering drawings to the satisfaction of EPCOR Drainage Inc.;
10. that the owner constructs a 3 m hard surface shared use path with "Shared Use" signage and lighting, within the PUL, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I;
11. that the owner construct a 1.8 m noise attenuation fence within residential property lines for all lots backing onto 215 Street NW as shown on the "Conditions of Approval" map, Enclosure I;
12. that the owner constructs a 3 m concrete emergency access with lighting, and t-bollards, within the Emergency Access Walkway to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I;
13. that the owner construct all fences wholly on privately-owned lands, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I; and
14. that the owner is responsible for the landscape design and construction within the Public Utility lot and road rights of way to the satisfaction of City Departments and affected utility agencies.

Enclosure I is a map of the subdivision identifying major conditions of this approval.

MR was previously addressed by dedication through LDA12-0312.

Please be advised that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be five (5) days from the date the decision is mailed.

3. that the owner pay the Drainage Assessments applicable to this subdivision;
4. that the owner pay the Arterial Roadway Assessments applicable to this subdivision;
5. that the owner submits an Erosion and Sediment Control (ESC) Plan specific for this development and for implementation during and after construction in accordance with the City of Edmonton ESC Guidelines and Field Manual;
6. that the owner submits detailed engineering drawings and technical studies in accordance with the City of Edmonton Design and Construction Standards and to the satisfaction of the City Departments and affected utility agencies;
7. that the engineering drawings include full site servicing for the MR lot including, but not limited to, 3-phase power, to the satisfaction of all affected Departments and agencies;
8. that the owner construct a 3 m hard surface shared use path with "Shared Use" signage, lighting, and bollards to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I;
9. that the owner construct 1.5 m concrete sidewalks with lighting, and bollards, to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I;
10. that the owner provide a zebra marked crosswalk with curb ramps and pedestrian signage to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map, Enclosure I;
11. that the owner constructs a temporary 6 m gravel surface roadway connection to the satisfaction of Subdivision and Development Coordination, as shown on the "Conditions of Approval" map,

Enclosure I. This roadway will be required prior to Construction Completion Certificate (CCC) for roads (or when required by Subdivision and Development Coordination);

12. that the owner is responsible for the disposal of stormwater flows until the permanent downstream system is operational, to the satisfaction of Financial Services and Utilities;
13. that CCC for sewers will not be issued for the proposed development until such time as the Lewis Farms Storm Outfall is completed and operational, to the satisfaction of Financial Services and Utilities;
14. that the owner construct a 1 m berm centered on property line and 1.8 m noise attenuation fence contained wholly within private property, as per the City of Edmonton Roadway Design Standards Drawing #5205 and in conformance with the submitted noise study, for all lots backing onto 231 Street NW, to the satisfaction of Transportation Services, as shown on the "Conditions of Approval" map, Enclosure I;
15. that the owner construct all fences wholly on privately-owned lands, to the satisfaction of Transportation Planning and Engineering and Parkland Developer Services, as shown on the "Conditions of Approval" map, Enclosure I; and
16. that the owner is responsible for the landscape design and construction within the Reserve lot, future Reserve Lot, road rights of way and walkways to the satisfaction of City Departments and affected utility agencies.

Enclosure I is a map of the subdivision identifying major conditions of this approval.

The Deferred Reserve Caveat for Municipal Reserve for the NW 36-52-26-W4M will be discharged in full with the dedication of the 1.61 ha portion of the school/park site. The City of Edmonton will purchase the remaining 0.72 ha of land to complete the assembly of the south half of the school/park site.

Please be advised that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. RE: Tentative plan of subdivision to create one (1) additional single detached residential lot from Lot 8, Block 61, Plan 3875 P located south of 106 Avenue NW and west of 133 Street NW; **GLENORA**

---

**The Subdivision by Plan is APPROVED on January 4, 2018, subject to the following conditions:**

1. that the owner obtain a permit to demolish the existing dwelling and garage prior to endorsement of the final plan. Demolition permits can be obtained from Development Services located on the 2nd floor of Edmonton Tower at 10111 - 104 Avenue NW; and
2. that the owner pay all outstanding property taxes prior to the endorsement of the plan of survey.

Enclosure I is an attachment of the major advisements throughout the subdivision process. Enclosure II is a map of the subdivision and identifies major conditions and advisements of this approval.

Please be advised that the approval is valid for one (1) year from the date on which the subdivision approval is given to the application. An extension beyond that time may be granted by the City of Edmonton.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. The date of receipt of the decision is deemed to be five (5) days from the date the decision is mailed.

If you have further questions, please contact Stuart Carlyle at [stuart.carlyle@edmonton.ca](mailto:stuart.carlyle@edmonton.ca) or 780-496-6068.

Enclosure(s)

Please be advised of the following:

Next Steps for Subdivision Approval

- The next step in the subdivision process is to have a legal instrument prepared (ie. Plan of Survey) in order to register the approved subdivision. The legal instrument is then forwarded to the City for endorsement along with the endorsement fee (\$662.00 - 2018 Fees Schedule) and subsequently released to the applicant for registration at the Land Titles Office.

Transportation

- There are existing boulevard trees adjacent to the site on the lane that must be protected during construction.
- Access for future development must be to the adjacent alley in conformance with the Mature Neighbourhood Overlay Sec. 814.3(17) of the Zoning Bylaw #12800.
- Further details of access will be reviewed upon submission of a detailed site plan or development permit application.

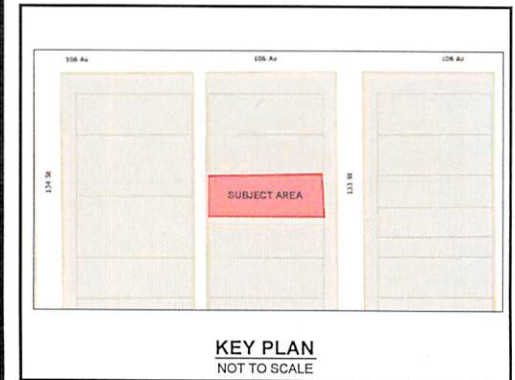

Servicing

- The owner is required to make satisfactory arrangements for, and pay all costs associated with separate servicing to each lot, as well as the modification, relocation and/or removal of existing services. For further information, please contact: EPCOR Distribution & Transmission Inc. (780-412-4000), TELUS Communications (Edmonton) Inc. (Real Estate Division [Rights of Way] 780-508-2456), ATCO Gas (780-424-5222) and Drainage Planning and Engineering (water and sewer 780-496-5444).
- The existing services (water and sanitary) enter the proposed subdivision approximately 12.2 m south of the north property line of Lot 8. As per the Sewers and Waterworks Bylaws, these services cannot cross the proposed property line.
- There is a deficiency in on-street hydrant spacing adjacent to the property. The applicant/owner is advised to review on-site fire protection requirements to ensure adequate coverage (contact EPCOR Water at 780-412-3955).
- If power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan (contact EPCOR Land and Administration Group at 780-412-3252).

- The existing services (water and sanitary) enter the proposed subdivision approximately 5.1 m west of the east property line of Lot 23. The existing storm service enters the proposed subdivision approximately 13.2 m east of the west property line of Lot 23. As per the Sewers and Waterworks Bylaws, these services cannot cross the proposed property line.
- There is a deficiency in on-street hydrant spacing adjacent to the property. The applicant/owner is advised to review on-site fire protection requirements to ensure adequate coverage (contact EPCOR Water at 780-412-3955).
- If power service crosses the proposed property line the owner may be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan (contact EPCOR Land and Administration Group at 780-412-3252).
