

# LORELEI and BEAUMARIS Neighbourhood Renewal PROJECT OVERVIEW

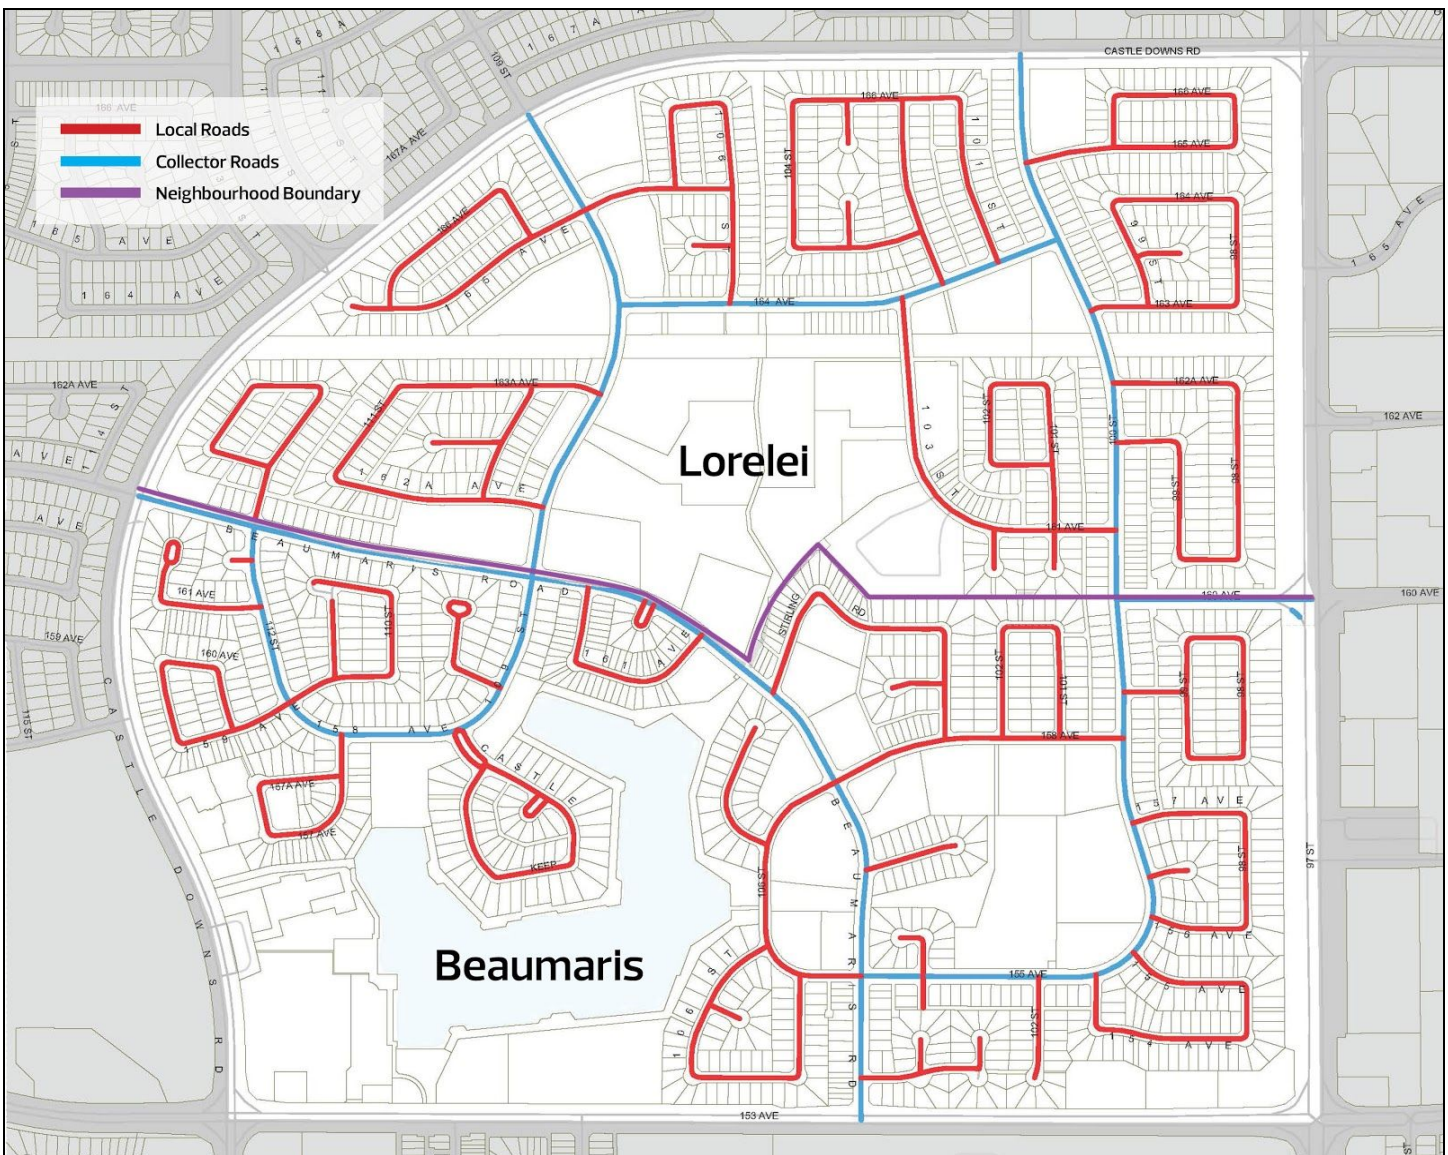

Edmonton

FEBRUARY, 2019

## BUILDING GREAT NEIGHBOURHOODS AND OPEN SPACES

# BUILDING LORELEI AND BEAUMARIS

Beginning in Spring 2020, Lorelei (2020-2021) and Beaumaris (2021-2022) will experience Neighbourhood Renewal. Through the City of Edmonton's **Building Great Neighbourhoods and Open Spaces** branch, the Neighbourhood Renewal program will rehabilitate roads, replace street lights, curb and gutters, repair sidewalks, and connect missing sidewalk links where possible in Lorelei and Beaumaris. Cost sharing opportunities will be made available through the Local Improvement process for sidewalk reconstruction and decorative street light upgrades in the neighbourhoods. Other opportunities to improve parks and public spaces will also be explored.

## WORKING TOGETHER TO MAKE THE MOST OUT OF YOUR NEIGHBOURHOOD

This is your city and your neighbourhood. We want to understand how you experience your neighbourhood and ask for your input on what we might do to make it better. We will engage and work with you on the renewal of roads, sidewalks, street lights, and park spaces, and promote other community opportunities to enhance how people live and interact in Lorelei and Beaumaris. We commit to being open and transparent about how your input is used. Let's make the most out of your neighbourhood!

## GET INVOLVED - CONFIRMING A COMMUNITY VISION AND GUIDING PRINCIPLES

Now is the time to get involved and share your voice. Work with us to confirm a community vision and guiding principles and further explore opportunities for improvements. We have created a road map (right) to help you understand the steps of the renewal process and how you can participate. At each step we will tell you what the purpose is and how your input will inform the decisions being made. We commit to report back on how we used your input.

## DECORATIVE STREET LIGHTS

As part of the Lorelei/Beaumaris Neighbourhood Renewal, standard street lights will be replaced. The cost of the standard street light is paid by the City. However, property owners have the opportunity to upgrade to decorative street lights. The upgrade from standard to decorative street lights is a community initiated local improvement and carries an additional cost to property owners. A community submission of a decorative lighting option for consideration will be required by July 2, 2019. To learn more about this opportunity, please contact Sherry Wallace at [sherry.wallace@edmonton.ca](mailto:sherry.wallace@edmonton.ca) or visit [edmonton.ca/localimprovements](http://edmonton.ca/localimprovements).
