**The Subdivision by Plan is REFUSED on September 6, 2018 for the following reason(s):**

1. The proposed subdivision does not comply with the minimum development regulation identified in Section 110.4(1)(b) of the City of Edmonton Zoning Bylaw 12800. The site is zoned (RF1) Single Detached Residential Zone. The minimum site width identified in the (RF1) Single Detached Residential Zone for single detached housing is 7.50 metres. The site width of the proposed lots is 6.53 metres and is therefore deficient by 0.97 metres or 12.9%.
2. The proposed subdivision will create two non-conforming lots that do not meet the site width development regulation in the Edmonton Zoning Bylaw 12800. This situation will create unnecessary hardship for existing and future landowners. Landowners wishing to further develop or redevelop their site will require a Development Permit variance.

Please be advised that an appeal may be lodged in accordance to Section 678 of the Municipal Government Act with the Subdivision and Development Appeal Board, 10019 – 103 Avenue NW, Edmonton Alberta, T5J 0G9, within 14 days from the date of the receipt of this decision. Enclosures

Please be advised of the following:

Next Steps for Subdivision Approval

- The next step in the subdivision process is to have a legal instrument prepared (ie. Plan of Survey) in order to register the approved subdivision. The legal instrument is then forwarded to the City for endorsement along with the endorsement fee (\$662.00 - 2018 Fees Schedule) and subsequently released to the applicant for registration at the Land Titles Office.

Transportation

- Access for future development must be to the adjacent alley in conformance with the Mature Neighbourhood Overlay Sec. 814.3(17) of the Zoning Bylaw #12800.

Building / Site

- The owner shall ensure that any change in property boundaries does not cause any structures on site to become non-compliant with the Safety Codes Act and Alberta Building Code. Permits may be required for such changes. Please contact 311 for more information.

Servicing

- The owner is required to make satisfactory arrangements for, and pay all costs associated with separate servicing to each lot, as well as the modification, relocation and/or removal of existing services. For further information, please contact: EPCOR Distribution & Transmission Inc. (780-412-4000), TELUS Communications (Edmonton) Inc. (Real Estate Division [Rights of Way] 780-508-2456), ATCO Gas (780-424-5222) and EPCOR Drainage Services (water and sewer servicing 780-496-5444).
- The existing services (water and sanitary) enter the proposed subdivision approximately 10.2 m north of the south property line of Lot 9 off of the lane. As per the EPCOR Drainage Services Bylaw and the EPCOR Water Services and Wastewater Treatment Bylaw, these services cannot cross the proposed property line.
- If power service crosses the proposed property line the owner will be required to provide a blanket easement in favour of EPCOR Distribution & Transmission Inc. If required, said easement shall be registered prior to or concurrent with the final plan of survey (contact EPCOR Land Administration Group at 780-412-3252).
