EDMONTON, ALTA 31st May 1912

To,

The Mayor & Council of,

The City of Edmonton,

Edmonton, Alta.

Gentlemen,

*re The Donald Ross Incline Rly Co. Ltd*

The Property of this Company is advertised for sale and we would wish to bring before the notice of your Council the advisability of the City purchasing the same.

The Traffic Hoist that has been operated by our Company for the past three years has proved of an immense benefit to the teamsters and those persons who use the hill from the Flats to McDougall Ave., and since the hoist has ceased operation a large number of enquiries have been made as to when it was purposed to re-open the hoist for business.

Unfortunately the Company is not strong enough financially to carry on the operation of the hoist and we thought that seeing it is of so much benefit to a large section of the population of this City that your Council would interest itself in the purchase of our Plant and Property.

Yours truly,

THE DONALD ROSS INCLINE RAILWAY CO.LD.
