Dear Neighbour,

We wanted to introduce ourselves as the builders managing construction on the property at _____ address _____

in your neighbourhood. We take great pride in managing clean and organized sites and look forward to open communication with neighbours. Here is some information to help you get to know us and the project better:

Project timelines: Demolition: _____

*subject to change Excavation: _____

Construction: _____

Here are some interesting features that will be incorporated in the new home:

We're excited to work in this neighbourhood because:

Why is residential development so popular in your neighbourhood?

Because it's a great place to live, work and raise a family.

New residents choose to build and live in this neighbourhood for the same reasons you do.

It's important that we work together to promote safe and considerate infill building sites.
