CITY OF EDMONTON'S INDIGENOUS (First Nation, Métis & Inuit) FRAMEWORK

Over the last three years, this work has been co-created with 40+ Indigenous organizations and Indigenous serving not-for-profits, post-secondary and educational institutions and government entities, as well as through engagement with Indigenous citizens and Youth of Edmonton through community workshops.

Along our journey, we have also had the opportunity to work closely with Elders and Knowledge Keepers, to host an Elders and Knowledge Keepers gathering, and come together in ceremony. We thank all those who have engaged with us throughout this journey.
